

ZOLL

AED

ZOLL AED 3™ BLS

Designed for Professional Rescuers

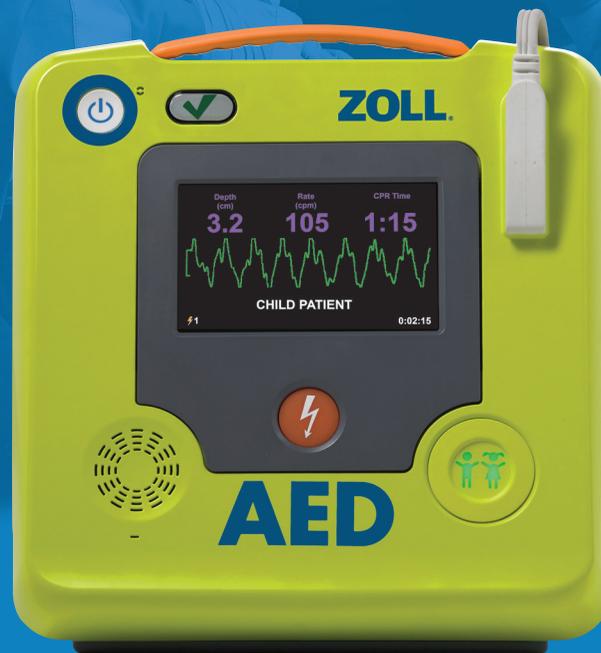

SMART

Real CPR Help®

- Real CPR Help guides rescuers in delivering high-quality CPR consistent with current guidelines
- ZOLL's CPR Dashboard™ provides real-time numerical feedback on CPR depth, rate and cycle time
- Integrated voice, text and visual prompts for support throughout the rescue

RapidShock™ Analysis

- Heart rhythm analysis in as little as 3 seconds
- Minimal CPR pause time allows for more continuous CPR

READY

Integrated Paediatric Rescue

- Universal CPR Uni-padz™ - only requires one set of pads for adults and children

Low Cost of Ownership

- Electrode pads and battery last 5 years – fewer replacements and lower total cost of ownership

Wi-Fi and USB Connectivity

- Quick and easy access to ECG and CPR performance data
- ZOLL's RescueNet® CaseReview provides detailed data for post event patient care and responder debriefing
- Automatic reporting of device readiness over Wi-Fi directly to your programme management software
